

Flat High Speed with Ethernet HDMI Cable

Description:

FARSINCE Flat High Speed HDMI Gold Cable enables interconnection between digital display devices such as HDTVs and projectors and digital source devices such as digital set-top boxes, Blu-ray players, and AV receivers. Supports iPad2 video mirroring when used with the Apple Digital AV Adapter.

Featuring a flat design, each individual inner conductor is organized differently to reduce crosstalk between wires, resulting in a cleaner signal than round HDMI cables. Ideal for use near walls, curves, and under carpets.

Item no. FS11010

Specification:

- Connector 1: HDMI 2.0 Male, gold plated
- Connector 2: HDMI 2.0 Male, gold plated
- Cable Conductor: High purity Oxygen Free Copper
- Wire Gauge: 32AWG(1-3M), 30AWG (5M)
