

USB 2.0 Panel Mount Adapter Coupler Female to Female

Description:

Farsince High Quality USB 2.0 A Female to A Female Panel Mount Coupler is the perfect solution for combining two USB cables to achieve connectivity through a panel. This allows the user to provide connectivity from a source that is contained within a secure location. The adapter is designed for minimal signal loss.

USB 2.0 Panel Mount Adapter Coupler provides a transfer rate up to 480Mbps depending upon the peripheral's USB version and easily attaches to any USB device. Plug and play, small, lightweight and easy to carry.
