

## USB 3.0 A Panel Mount Adapter Female to Female Coupler

### Description:

Farsince High Quality USB 3.0 A Female to A Female Panel Mount Coupler is the perfect solution for combining two USB cables to achieve connectivity through a panel. This allows the user to provide connectivity from a source that is contained within a secure location. The adapter is designed for minimal signal loss.

USB 3.0 A Panel Mount Adapter provides a transfer rate up to 5Gbps depending upon the peripheral's USB version and easily attaches to any USB device. Plug and play, small, lightweight, and easy to carry.

**Item no. FSP3040**
