

Cat5e Cat6 Cat6a RJ45 Panel Mount Coupler Female to Female

Description:

Merging two patch cables through a panel is now a breeze, allowing you to establish a secure connection from an enclosed source.

This compact RJ45 panel mount coupler is engineered to minimize signal loss, delivering superior transmission performance.

It effortlessly surpasses the TIA/EIA-568-C.2 and ISO/IEC 11801 specifications, ensuring your network's exceptional operation. And its gold-plated contacts and molded strain-relief boots enhance durability while securing your connection.

Item no. FSP3050

Specification:

- Connector 1: RJ45 female, gold plated 3U
- Connector 2: RJ45 female with screw locking, gold plated 3U
- Nut and Screw type: #M3 nickel plated
- Hole Pitch: 25mm
- Housing: Injection molding
- Meets or exceeds TIA/EIA -568-C.2 and ISO/IEC 11801 Specification
- Tested to 350 MHz and support 1000 Base-T Gigabit Ethernet
- Compliance: RoHS, REACH

Order Information:

- FSP3050-C5E: Cat5e UTP RJ45 female to female Ethernet Panel Mount Coupler Adapter
