

2 SATA to eSATA Bracket IDE 4 Pin Power Slot Plate Adapter Cable

Item no. FSP5302

Specification:

- Connector 1: SATA 7Pin female internal x2/ 5.25" 4 pin male internal
- Connector 2: eSATA female external x2/ 5.25" 4 pin male external
- Gold plated contact, Nickel plated shell
- Cable Conductor: Bare Copper
- Housing: Injection molding
- Jacket: PVC
- eSATA Connector Data transfer rates up to 6 Gbps
- Compliance: RoHS, REACH

Description:

Farsince High Quality 2 Port SATA to eSATA Bracket IDE 4 Pin Power Slot Plate Adapter Cable can convert any motherboard with a SATA interface to an eSATA interface, perfectly compatible with eSATA external hard drives in the box. Extend the SATA interface from the motherboard to the eSATA interface to the chassis bezel. It also has a power interface. Conveniently converts ordinary D-type 4-pin power interface to serial device power interface

eSATA offers faster data transfer speeds than USB 3.0, with speeds up to 6 Gbps for file backup and expanded storage. This cable is suitable for SATA (serial port) hard disk and SATA optical drive data cables, as well as other SATA interface devices. Flat cable saves space and time in circuit interconnect components.

Order Information:

- FSP5302: Dual SATA to eSATA IDE 4 Pin Power Slot Plate Adapter Cable, 0.5m
